- Accommodation
- Protection
- Advice

0228-23 2434
hiffin@t-online.de

In the Women's Refuge,

women and their children affected by physical, psychological and/or sexual domestic violence can be housed anonymously and will be given protection, advice and support.

Women's Advisory Centre

We can advise you by telephone and personally in the event of:

- crises and emergencies
- domestic violence
- separation and divorce
- difficulties with your work, family or relationship
- custody matters
- forced marriage
- residence problems
- immigration

Our specialist advice is free, anonymous and confidential.
